FACING GIANTS

It has been a tough year for us at North End. We have lost some great faithful loved ones over the past several months and that has been tough on each of us. A good friend of mine just lost his wife at a fairly young age; they have children, one still at home. That is a giant issue that he has to conquer in his life. I want to share with you some things I have learned:

Life is full of giants. Regardless of where we are in life, things can get really tough. Matthew 5:45 says that the sun and rain are visited on the righteous and unjust equally. Times will be hard and times will get easier for each of us on this earth. No one is immune to major challenges in life. Caleb of the Bible was 85 years old when he asked for the toughest land with the biggest giants and was successful in defeating the giants because he had faith in God (Joshua 14:14).

Some people try to handle the giants alone. My friend a normal human cannot defeat a giant without help. Jesus told us to treat God like the widow who wore the judge out asking for help until he could not refuse her any more (Luke 18:3-8). Do your part but remember God in your endeavors because He can beat giants.

Do not take life so personal. The whole world is not out to get you, most of it will never even know you were here. Samuel got his feelings hurt when the people wanted a king like all the other nations instead of his leadership. God told him that they were not rejecting Samuel but God (1 Samuel 8:6-7). Not everything that happens is about you. Just stay with God and you will be alright.

Do not let the world tell what you can and cannot do. Obeying God is possible if we take things one decision at a time. With God's help you can handle any issue that arises no matter how big because God is bigger. If he can help 85 year old Caleb conquer his giants then he can help you with yours.

You can do this if you lean on God and let him help you.

Psalm 119:07

There's an old adage that says, "Familiarity breeds contempt." That may hold true in some situations, but not when you're discussing the law of God. Familiarity breeds love. It was because of the psalmist's daily and day-long contemplation of God's word that he could exclaim, "O how I love Your law!" And, in turn, his growing love for the law made it his "meditation all the day."

I don't know about you, but that's a repeating cycle I'd like to be in!
