CHINA INVESTMENT

The trip to China was an investment. It was a financial investment, an investment of time, and an investment of energy.

It does cost money to make the trip to China. Plane tickets cost around \$1,000. Hotel rooms run similar to that price. Travel within China and food cost nearly \$1,000 also. At the end of the day the trip will cost between \$2,500 and \$3,000. That is quite a bit of money.

The trip is also an investment of time. Two weeks away from home, family, and work. We spend 10-12 hours per day studying with Chinese students and another 3-4 hours preparing for those studies. We put a great deal of time into these trips.

The trip is also an investment of energy. We walk as many places as possible to reduce the travel expense (buses and taxis). The hours are difficult as we study with others every day that we do not travel, and some that we do. We work hard to teach the Gospel to men and women who have never heard a single story about Jesus.

The trip to China is an investment in eternity. When we are about our Father's business we know that furthering His work takes an investment from us. The return this year was the baptism for forgiveness of sins of two ladies in Inner Mongolia. Eternity was changed. For such tremendous dividends the investment was paltry.

Don't Stay Away From Worship...

- Because you are poor. There is no admission charge.
- Because you are rich. Money is not everything.
- Because it rains. You go to work, school and shopping in the rain.
- Because it is cold. It is warm and friendly inside.
- Because it is hot. So are fishing and attending ballgames and golfing.
- Because no one invited you. People go to a lot of places uninvited and even pay to get in.
- Because of hypocrites. We associate with them in the world every day.
- Because of company. Bring them along; they will admire you.
- Because you have little children. Jesus says, "Suffer the little children and forbid them not to come unto me" (Matt. 19:14).
- Because your clothes are not nice enough. God looks on the heart (1 Samuel 16:7).
- Because the church always wants your money. That is just not true.
- Because you have plenty of time in the future. Are you sure (James 4: 13-17)?
- "I was glad when they said unto me, 'Let us go into the house of the Lord'" (Psalm 122:1).
