WELCOME HOME!!

I love the opportunity that North End has provided me to go to China and work with the wonderful people there. There is a genuine hunger for the Gospel among the Chinese people and they love seeing us come to share with them. We studied topics from women's role in the church to miraculous gifts and the indwelling of the Holy Spirit, from baptism and the plan of salvation to the difference between Hades and Heaven and hell. We encouraged many Christians who are struggling with being the only Christians in cities of millions of people, groups of 3-10 and even several who are the only single Christians in their towns. It was an exhausting trip but one with overwhelming blessings emotionally and spiritually. We saw more tears this trip than any other trip we have ever taken to China.

I love the work we are doing in China and thank you for helping and supporting the work in the fashion that only Christian families are capable. It is good to be home again. The thing I looked forward to most, other than seeing Jennie and my children, was worshipping with North End. I love the fellowship and love we share when we worship God together and I am so grateful that God has given me safe passage back to you. I love you and am thankful to see each of you today. Never take our worship for granted, it is so very precious.
