I'M SO SMART

Ephesians 1:8-10

Have you seen those television commercials where one person says something and then the other person tries to sound smarter? One even claims the Egyptian pyramids were mistakes and supposed to be cubes. While meant to entertain and remind us of their company, those commercials are memorable for one reason. They hit on a feeling that most people have. We want to be considered smart. In fact, some families do not even allow the term "stupid" to be repeated in their homes. No one wants to be considered dumb or stupid. Jesus warns of the insult to call someone a fool.

There is no need for us to be ignorant of God's will. One of our spiritual blessings is knowledge. It does not come to us miraculously through divine intervention. Knowledge of God comes the same way as knowledge of anything else. We study and then we practice. Ever eat a cake that was hard as a brick? That is often the result of a lack of study of the directions. Ever eat an egg shell in the middle of the cake? Those often come from a lack of practice.

From early on God wanted His people to treat His word with respect and reverence. He tells us to study it so that we can live by it and not be ashamed (2 Timothy 2:15). You can be smart. In fact, you must be smart in the words of our Lord; otherwise you do not know what to do and cannot be free. I'm not as smart as I want to be or am going to be, but I try to be smarter today than I was yesterday. Get smart, study the Bible.

Steven Haguewood
