I'LL DO IT TOMORROW

Patience is a virtue…right? It seems to be more of a virtue in others, not necessarily in ourselves. We all want someone else to be patience with us but sometimes we are less patient with them. Patience is hard, but it is something we must adopt.

Often we see in the Bible the necessity of patience when waiting on God. In 2 Kings 7:1 Elisha told the people, "About this time tomorrow" in reference to God's blessing. Just the verse before, at the end of 2 Kings 6, the king has expressed his desire to stop waiting on God. I am not certain what he intended to do because he was completely surrounded by superior numbers and a superior fighting force. Without God he was beaten. (Isn't that always the case?) Elisha told him to wait one more day and it would all be better.

The story goes on that the four lepers found the enemy camp deserted and told Samaria. They sent a delegation that confirmed the lepers' report and the day after the promise God fulfilled everything He said through Elisha. Why tomorrow instead of today? Plainly put, I do not know the answer to that, only God does. But I rest easy knowing that God knows. He knows what is best now and tomorrow. I get impatient, I always know what and when I think God ought to act. Inevitably His timing is better than mine.

Know this; God will take care of His people. It may be hard waiting but God knows what is best. Just be patient

New Year Prayer

Thank you Lord for giving me
The brand new year ahead
Help me live the way I should
As each new day I tread.

Give me gentle wisdom
That I might help a friend
Give me strength and courage
So a shoulder I might lend.

The year ahead is empty
Help me fill it with good things
Each new day filled with joy
And happiness it brings.

Please give to all upon the earth
A heart that's filled with love
A gentle happy way to live
With your blessings from above.
