## WHO IS THIS JESUS YOU TALK ABOUT EVERYDAY?

The Jews thought Jesus was a liar. They believed He was just a man who was deceiving everyone or that He was endowed with power from Satan. They did not believe He was the Messiah. Muslims today believe Jesus was a prophet much like Mohammad, only not quite as important. They think He is important but just not the prophet who was given the Koran. Many people really have no opinion of Jesus at all. They have heard the word, often as a curse word, but have not given Him any real consideration.

Who is Jesus? Son of God? Yes. Creator of the world? Yes. Messiah? Yes. But what does all that mean? Jesus is the one whose power brought all things into existence in just six days by simply speaking them so. Jesus is the one who existed before the creation of the earth and will exist after its demise. Jesus is the one with the power to lay down His life and take it up again at His own will. Jesus is the King of kings and Lord of lords. He is master and commander of all the earth. Jesus is the conqueror of Satan and the defeater of death. He is the subject of the Bible from Genesis to Revelation. Jesus is our point in existence, to please and praise Him. Jesus is my brother and the One who died to save me from my own stupidity.

Who is Jesus? He is everything to me and everything will always be. I will never cease to raise a song of gladness in His praise. Here and in the world above my soul shall sing of saving love. Light and life and Joy is He, my precious friend Who died for me.

# Remember In Prayer

**Diane Fouss** has been diagnosed with cancer. She was to start chemotherapy treatments on Friday, but is now waiting for a PET scan to be scheduled.

**Buster Kupfner** had rotator cuff surgery this past Thursday. He is home recuperating.

**Joe Milligan** continues his chemotherapy treatments. The treatment he had last week wasn't as hard on him as the first one. Joe has to stay in during these treatments and cannot have visitors.

We had a request via email from Brian Dunlap to pray for his mother, **Debbie Dunlap**, who has been diagnosed with cancer.

### Abortion in a 'Christian' Nation

Nazi Germany killed over 6 million Jews, and millions more from other ethnic groups and those they deemed were not fit for society. We justly condemn the barbarism.

The Soviet Union wiped out–by conservative estimates–12-15 million of its own citizens, in the gulag (though the total may be as many as 20-25 million). Millions more, from other countries, were slaughtered in its drive for power. We rightly denounce the cruelty.

Mao Tse Tung butchered millions of Chinese in his drive for total control of China as a Communist country. We correctly condemn the butchery.

Pol Pot wiped out 2 million Cambodians in the killing fields. Castro… Che Guevara…Nicolae Ceausescu…all these Communists have blood on their hands, and are rightly denounced.

Yet, in the United States–a so-called "Christian nation"–since 1973, over 61 million innocent lives have been killed by abortion!!!!!

There is coming a day when the God of heaven and earth will judge the world in righteousness, and will hold accountable those who have the blood of the innocents on their hands.
