SAVED BY GRACE

Grace is a term thrown around frequently in the religious world. It can literally mean just about anything. Something good happens at work, grace. Find $100 lying on the sidewalk, grace. Meet the love of your life, grace. Anytime something positive happens in life someone attributes it to grace. And when it comes to our salvation we put grace on steroids. Sometimes we blow grace out of proportion and turn it into something it is not. Naturally, grace is not going to place a $100 bill on the sidewalk and cause everyone else in the world to ignore it. That is an accident and it happens. If it is God's grace to you; what is it to the person who lost the money?

Grace is the favorable disposition toward someone and the actions taken in behalf of that disposition. God's grace is best demonstrated for us in Romans 5:8, "But God demonstrated His grace toward us in that while we were yet sinners, Christ died for us." While I was in the very clutches of sin, Jesus came to die me from my own sinful state.

Grace also made a plan by which I can be saved. Grace saves through the plan not separate from it. Romans 3:24 says that redemption is in Christ and Galatians 3:27 says one is baptized into Christ. To have redemption (salvation) we must be in Christ. To be in Christ we must follow His plan and be baptized for the remission of our sins (Acts 2:38). Grace saves us when we follow the plan it devised for our redemption.

Have you been saved by His graceful plan?

Remember In Prayer

Mark Berry returns to Morgantown today to begin a round of chemotherapy. He will have a bone marrow transplant on June 17th and will stay in Morgantown for about three months.

Wirt Cook received the results of his biopsy and he will have a procedure to freeze the nodule on his liver . No date has been set for the surgery.

Ruth Dickson is waiting on an appointment to see a neurologist.

Diane Fouss continues her recuperation from surgery. She does not have a date on when her chemotherapy will resume.

Joe Milligan is scheduled to have a PET scan on Thursday, June 13th, to evaluate the response to his current chemotherapy treatments.

Larry Morlan is waiting on further tests to determine what surgery is needed for pain he is having in his hip and leg. He also is dealing with vision loss and was told his eyesight will be gone within two years.

Kim Stimmel, sister of Mike Oblisk, learned her cancer has returned. She has begun chemotherapy treatments again.

Help Me!

Help me find somebody today who needs what I have to share: a kind word, a thoughtful deed, a bit of loving care.

Help me to take the time to be an understanding friend to someone who needs a helping hand on which they can depend.

Help me to love as Jesus loves, that same unselfish way. Help me to be like Jesus in all that I do and say.
