## Something To Be Thankful For

A minister was known for always thanking God in his public prayers. One Sunday morning was particularly terrible and gloomy. A church member thought to himself, "Certainly the preacher won't thank God for such a terrible day." When the preacher got up and began to pray, he said, "We thank Thee, O God, that every day is not always like this."

Anyone can be thankful when life is good. It really takes some effort to be thankful when life is difficult. Being thankful is a practiced skill. It's a mindset we have to constantly work on. When we do, we are likely to find many, many wonderful parts of our lives to give thanks for, especially the small ones we take for granted. First Thessalonians 5:16-18 says, "Rejoice always; pray without ceasing; in everything give thanks; for this is God's will for you in Christ Jesus."

God wants us to be thankful people. Finding something to be thankful for may take some time, it may take some creativity, and it may even send us into deep thought. No matter what it takes, let's practice the habit of being thankful.

# Remember In Prayer

Please keep **Richard & Eva Cook** in your prayers for ongoing health problems. Richard has recently been diagnosed with a rare blood disease. For the time being, doctors will be monitoring his blood levels. Please be mindful of germs as you shake hands or hug him since his resistance is low.

**Ken James** had been in the hospital last week dealing with an infection. He was discharged and is now home recuperating.

**Elijah Haguewood**, infant grandson of Steven and Jennie Haguewood, was able to be taken off the ventilator. He is doing some better along with his brothers, Greyson and Isaac.

**Sympathy**: Our sympathy is extended to Charles Pugh at the death of his mother, Marie Cooper. She passed away on November 6th.

Please remember all those on our prayer list located in the left hand column. Many are battling cancer and other illnesses.
