**HOMECOMING!**

What a blessing to be here with you today. This is so exciting for all of us. If you are visiting with us we are so very glad to see you; we hope and pray we can see you more often. We are glad to have this opportunity to worship together. We are excited to have John Miller here to deliver the Gospel message for us. Another preacher who worked with the congregation for many years, Wirt Cook, will bless us with a prayer. One of the original members of the North End congregation, John Morlan, will read the scripture for us preceding the lesson. What a treat it will be to have these wonderful men of faith lead us in worship today.

As great a blessing as this homecoming is, it will pale in comparison to the real homecoming God has planned. One day God will host the greatest homecoming ever in heaven. It will last forever and be the best thing anyone has ever experienced. The singing will be angelic, the accommodations heavenly, and the company divine. As much as we love seeing you at this homecoming, we long all the more to see you at God's homecoming.

*“In My Father’s house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also. And where I go you know, and the way you know.” (John 14:2-4)*

Remember In Prayer

Mark Berry received good news on Thursday that he is now cancer free. He is able to be home this weekend and will return to Morgantown on Monday.

Dave Butterfield was taken to Ruby Memorial Hospital in Morgantown on Wednesday. He had surgery on his right leg to open the vessels for better circulation. They will schedule additional surgery for his left leg.

Wirt Cook is scheduled to have a procedure tomorrow, September 9th. His doctor will inject chemo into a tumor on his liver. This will require an overnight stay in the hospital. He will then be taking chemotherapy in pill form.

Diane Fouss continues her weekly chemotherapy treatments. They had to reduce this weeks treatment to 70% due to her not tolerating them well.

Jim Jones is waiting on an appointment with a cardiovascular surgeon for a blocked artery in his neck. He also continues treatments for cancer.
