An Exciting Eternity

Do you ever wonder how you can live forever without being bored? One fellow said he didn't want to live forever because life on earth is so monotonous. His comments reminded me of a college professor's sneering statement to his class (a class I was in) that he couldn't think of anything more boring than to spend eternity "sitting on a golden staircase, playing a harp."

Well, his comments didn't shake my faith. I believed then, and I believe it more strongly now, that heaven will be a wonderfully exciting place, for I have concluded that the glory and joy of heaven will be found in our relationships, rather than in "golden streets and gates of pearl!" Job, the psalmist David, and John, the apostle, delighted in focusing on being in the presence of God. He will be the primary glory of heaven.

Though heaven will surely include many delightful activities not revealed to us in the Bible, the most wonderful element will be the joy of companionship. Just think, to be in the presence of God, the Son, the Holy Spirit, the perfected saints of God, the great Bible characters saved by grace—what an exciting prospect! So...let's enjoy heavenly blessings now by deepening our communion with God and our fellowship with believers. Here is one reason for that familiar passage: "And let us consider one another to provoke unto love and to good works: Not forsaking the assembling of ourselves together..." (Heb. 10:24-25).

Remember In Prayer

Jamey Eaton had emergency surgery on his eye December 14th. He has a long recovery and will be off work for up to eight weeks.

Debbie Lane had surgery on December 15th to remove a growth from her bladder.

Lakin and Jase Vaughan have tested positive for Covid. Their symptoms haven't been too severe.

Bob Poiani, brother-in-law of Jim and Cheryl Ullom, saw his doctor on Monday concerning the cancer in his brain. It was determined there had been no progress with treatments, so Bob was sent home on Hospice.

Alex Vaughan, 18 month old granddaughter of a coworker of Randy Meredith, began her chemotherapy treatments last week. She will continue treatments every two weeks at Akron Children's Hospital.

Wellness Project

We are kicking off a new long-term sustainable mission project in Panama

You can help in two ways:

1. Donate toothbrushes and toothpaste. Any style or brand.
2. Donate financially to allow for the purchase of soap and fortified rice which will be purchased in Panama. The rice will be distributed to families with malnourished children.

There is a basket in the foyer for the toothbrushes and toothpaste. There is also a donation box in the foyer on the table with the project display. Coin collection cans were also distributed to each Bible class to allow our children to become involved.

There are window clings for your car on the table in the foyer. Feel free to take one when making a donation and show your support!

If you have any questions please see the Elders, Becky Kidder, Melissa Grose or Mandy Kupfner.
