M-O-T-H-E-R

Many have undertaken the task of making an acronym of the word mother and trying to describe the job. There simply are not enough letters in the word to give a full job description but I wanted to try to add to the list of efforts:

- M-** Molder, mothers mold children into adults
- O-** Offer, mothers offer themselves to their children at all hours of the day or night
- T-** Thanks, we all owe our mothers more thanks than we could ever offer
- H-** Helper, mothers help with relationships, homework, and transportation
- E-** Ever-loving, nothing can make a mother stop loving her child
- R-** Real friend, someone you can turn to no matter what and count on the right help, even if it seems harsh at the time because she loves you so much

God gave us a very special gift when He made mothers; a blessing to everyone who has one. We know moms are special because she is a gift from God and God does not make mistakes. *"Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning"* James 1:17 (NKJV)

## **Seven Negative Effects of Missing Worship Services**

1. Worship becomes less edifying for everyone.
2. Church leaders become discouraged.
3. You lose touch with congregational life.
4. The church is robbed of the resources it needs.
5. Another learning and growth opportunity is wasted.
6. Your conscience becomes more calloused with each missed service.
7. You teach by your example that worship is not important.
