An alarmist is, "A person who needlessly alarms or attempts to alarm others, as by inventing or spreading false or exaggerated rumors of impending danger or catastrophe." (American Heritage Dictionary)

Our society sure has its share of alarmists. We are constantly bombarded by the media regarding fears of terrorism, climate change, economic depression, nuclear war, the depletion of the ozone, annihilation by an asteroid, foods that are supposedly killing us from pesticides, a disease that is resistant to antibiotics, Muslims are taking over the world, an alien invasion from space, the threat of a super volcano, etc.

Do we find this type of mentality in the church? Have you heard the comments that all the good preachers are dead, the vast majority of churches no longer teach the truth, the Christian colleges are all swept up by those on the left, the church as we had known it for years is dying, etc.?

This reminds one of the feelings once expressed by Elijah. He thought that the hope for Israel was gone. But the Lord had a message for him. "Yet I have reserved seven thousand in Israel, all whose knees have not bowed to Baal, and every mouth that has not kissed him" (1 Kings 19:18).

Why is alarmism such a concern? For two good reasons: one, because it is either an untruth or an exaggeration of the facts; two, because alarmism spreads quickly. It is a reminder of what the apostle Paul said, "Do you not know that a little leaven leavens the whole lump?" (1 Cor. 5:6).

Someone once said, "90% of the things I worry about never happen." It sure does help us put things into proper perspective.

He Had No Servants

~~~~~  
Jesus had no servants, yet they called Him Master.  
He had no degree, yet they called Him Teacher.  
He had no medicines, yet they called Him Healer.  
He had no army, yet kings feared Him.  
He won no military battles, yet He conquered the world.  
He committed no crime, but they crucified Him.  
He was buried in a tomb, yet He lives today.
