God is in Control

by Jesse Eaton

In a world filled with stress and business, it can be very easy to let the anxieties of life grasp at our inner peace. Much like Peter, we can take our eyes off of the LORD and can begin to sink into the worries and problems that life, and the devil himself, tries to drown us with.

When we begin to feel overwhelmed or we find ourselves trying to handle it all on our own, we must remind ourselves of what we know deep inside: God is still in control. He has always been in control, and He will forever be in control.

In lieu of writing a lengthy article on this subject, as I'm sure I could, I would prefer to leave the prayer, known as the Serenity Prayer, here as food for thought. I hope that these thoughts will help you as you strive to live a life driven by the fact that God is in control.

God, grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference.
