A TIME TO CHOOSE

1 Kings 18

It is a presidential election year so the television is continually filled with ads for candidates from each party. The majority of the ads you see are filled with mud-slinging tactics that leave no answers about either candidate only negative questions about the other.

God wants you to choose Him. He has given us ads to show why we ought to choose Him over our opponent and adversary, the Devil. He has done things to win our approval like: heal the sick, part seas, stop time, and send Jesus to save us. Further demonstration of His positive campaigning is found in 1 Kings 18. Here He stands against those who are against Him. The priests of Baal do all they can to have their god send fire to consume their sacrifice. They work all day and cannot "wake up" their god or get him to come home and answer them. Elijah says one short prayer and God answers in a most compelling way, consuming the sacrifice, the wood, the dust, and the water in the trench.

What we learn from this is simple. If you choose God to be yours you will have immediate access to the power of the universe. He will not make promises that He will not fulfill. And you can be certain that His power will never fade.

This election day, won't you choose God as your running mate and ask Him to keep you safe through this and every year to come?

What to Pray For

Do not pray for an easy life; pray to be a stronger person. Do not pray for tasks equal to your powers; pray for powers equal to your tasks. Then the doing of your work shall be no miracle, but *you* will be the miracle.
