A GOOD START

What do you call 1,000 dead skunks? A good start. Every good work needs a good start to make the participants feel better about their effort. When you begin with some success you are more likely to have help finishing the project.

How can we claim last week was anything other than a resounding success? At the time of writing this article 13 people changed their eternal destiny from hell to heaven because of the work Christians did in this area. Thousands heard the Gospel proclaimed by wonderful preachers. Congregations of the Lord's church worked together in an unprecedented way. And, maybe I shouldn't be this way, but I am awful proud of our North End members. We Care, Sojourners, and workers from Nashville complimented our membership countless times for the number of North End workers they saw in the fields. This past week was unbelievably awesome.

It's been a good start. We have stacks of callback contacts now. These consist of those needing prayers for some ailment, those interested in hearing more about the Gospel, and one group that has expressed interest in being baptized. Now it's time to keep up the fight. The campaign was an initial surge against Satan. Now it's time to win the war. Great battles have been won, let's win this war in Wood County. We can do this together as a community of believers. We know that we are not alone, 14 congregations in our area have not bowed to Baal. We know the Gospel is effective and affective, 13 people have defeated Satan. We know that we can do it because last week we did it. Soldiers of Christ have arisen in Parkersburg, now, "Forward March!"

A Prayer

Lord, grant me strength from day to day
To bear what burdens come my way.
Grant me throughout this year
More to endure and less to fear.
Let me not bitterly complain
When cherished hopes of mine prove vain.
Lord, as the days shall come and go
In courage let me stronger grow.
Lord, as I start everyday
Help me to put my faults away.
Let me be big in little things.
Grant me joy which friendship brings.
Keep me from selfishness and spite
Let me be wise in what is right.
When ever my time shall end
Let it be said I've been the friend.
Have lived and loved and labored here
And in your hands I shall have no fear.
